

TO MAKE NETWORK OF ALUMNI AND HR OVER LINKEDIN

Okay, if you're feeling bore with scrolling social media's fake feeds, then I've something interesting for you. Make sure you want to learn and ready to make professional connections all over the India.

Just what you have to do,

1. Google Search & Glassdoor Verifications

Need to search the company name and their type of industry on the basis of Product Based, Services Based, Startups and Glassdoor Company.

2. LinkedIn Search

To find our alumni (Tezpur University)/HR or any developer of the searched company in LinkedIn and Facebook, to collect their Email ID or Phone Number.

3. Information in Excel

To store the data in an excel sheet. (Will get an excel format)

Benefits,

1. Learning

Will get you know the best company in the India, what they are doing for our society.

2. Full Excel Sheet

Will get full excel sheet for your future reference and finding Internship/Jobs at best company in all over India. Greater than 100 best company's data and their HR information's.

3. Strong Connection

During collecting the information of alumni and HR, send the connection request for future reference.

4. LinkedIn Recommendations

Will write about your learning enthusiasm and admire hard work in your LinkedIn profile from my own official LinkedIn Account.

5. Tea Meeting

It will be my pleasure if we meet in campus with a special tea and share our thoughts to each other's.

With positive gratitude,

Rakesh Vishwakarma
